

Aerial Drone footage

SUAV will produce beautiful, cinematic aerial shots. These remote-controlled quadcopters offer a macro view of your project that everyone gets to see.

Payment -

- A Non-refundable cost of £99 must be paid to secure The Permission. (*Payment will be deemed as acceptance of these terms & conditions*)
- Full payment must be made to ArdigonSky at least one week before the date of the proposed flight. Failure to do so may result in the cancellation of the booking.
- Payment can be made via card or cash.

Cancellation Charges -

If a cancellation is made within the week before the flight is scheduled by the Client, 50% of the full amount will not be refunded. (This will not occur if factors cause a delay e.g weather)

COSTS -

- Permission £99
- Flight one Day £399 (maximum 10 hours and 150 mileage)

Editing of the footage we capture. If you require us to manage the Project this can be discussed

Professionally produced footage will be made available to you in a format of the following choices .

Digital USB £39

Digital 4K USB £49

Plain DVD Free

Social media - YouTube or Facebook Public Upload £30

If for personal use we can add whatever music you wish, if for a broader audience PPL

free music would be advised. We can output your project to any suitable media that you use. (See choices above or call to discuss if you have any other format in mind)

Our main output would be stunning 4K edited to really show off your project
